A CANINE EVENT TO FIGHT CANCER

You can help the American Cancer Society save lives!

Make a donation today.

- ▶ The American Cancer Society Bark For Life is a Relay For Life fundraising event that honors the caregiving qualities of canine companions.
- ▶ Make a donation to remember or honor a loved one. All proceeds go directly to the American Cancer Society to help save lives and create a world with less cancer and more birthdays by helping people stay well and get well, by finding cures, and by fighting back.
- ▶ The American Cancer Society Relay For Life is an overnight event that raises funds and awareness to fight cancer in your community. Dedicated teams of friends, families, and coworkers commit to keep at least one member on track a or path at all times ... because cancer never sleeps. Since pets are not allowed at a Relay For Life event, Bark For Life provides a venue for you and your pet to participate together while raising money to support your community event.
- ▶ Bark For Life gives us an opportunity to honor cancer survivors and to remember those who have lost their fight with the disease.
